

PERSONAL SNAPSHOT

A **creative professional** with 10 years experience working on over 25 film and television productions in Australia, Germany and New Zealand.

Currently pivoting my career focus by enhancing my **storytelling skills** with the principles of **design** and **strategic thinking**.

Curious about opportunities in **customer/user experience** and **research, sales** and **marketing**.

Known for being an **authentic communicator**, **hard worker** and **empathetic team player** with a love for tea and travel.

SKILLS & TOOLS

- **Presentations** and **presenting** (PowerPoint, Canva, Adobe Express)
- **Data analysis** and **user research** (Excel, Google Sheets, Miro, Google and Microsoft Forms)
- **Visual** and **UX/UI design** (Figma, Adobe Creative Cloud including Photoshop, Illustrator and XD)
- **Video editing** and **post-production services** (Avid, Premiere Pro, Resolve)
- **Front-end web code** (CSS, HTML and Javascript)

PROFESSIONAL JOURNEY

Solutions Consulting Intern

Adobe / April 2024 - October 2024

- Researched, created, designed and presented a future product demo to the ANZ Solutions Consulting team
- Conducted an independent user research study into post-production workflows using a survey, interviews, affinity diagramming and action priority matrix and presented this to the global Video Strategy team
- Created videos and design assets for internal communications

Customer Strategy & Design Vacationer

Deloitte / Nov 2023 - Feb 2024

- Engaged on a not-for-profit project and a pharmaceutical project
- Conducted thorough desktop research and assisted in user research
- Collaborated on the layout and content of user journey maps
- Facilitated in-person and virtual client workshops using Miro

Assistant Editor and Editor in Film and Television

Freelance / Selected Highlights / Sept 2013 - Nov 2023

- Freelanced at The Editors, a prestigious post-production house specialising in television commercials, during my studies.
- Assisted on Baz Luhrmann's epic Elvis film adaptation, recognised with an Academy Award nomination for Best Film Editing in 2023.
- Edited the nightly highlight reel for the 2018 Commonwealth Games.
- Proudly assisted on one of my personal favourite Aussie reality television shows, The Real Housewives of Melbourne.
